**Concert Times: - Saturday 4<sup>th</sup> December 9.00am, 12.30pm & 4.00pm**

**ST PETERS LUTHERAN COLLEGE, HARTS ROAD, INDOOROOPILLY, PERFORMING ARTS CENTRE (PAC)**

**Confirmation & Concert Levy Due: Friday 23<sup>rd</sup> July**

Performances are an exciting event as students can perform on stage in a theatre. For many it will be an opportunity to gain some wonderful memories that will last them a lifetime. For others it may be the beginning of a future career.

This year we will be performing an 'End of year Showcase' Every class except Tiny Toes, Toddler, Dance for fun, Musical Theatre and Adults will be involved. Dance for Fun and Musical Theatre will do a performance in class at the end of year.

In the event the show is not able to go ahead due to Covid lockdown 100% of ticket prices will be refunded and 80 % of costume levy will be credited or refunded. If we have a bad outbreak and know early enough the concert won't go ahead it may be a larger refund or credit, it depends on what we are able to cancel without charge to us.

Performing in the concert is **optional**.

We do need you to confirm your child's participation so that we can allocate costumes and choreograph appropriately as soon as possible. We will confirm the exact show and rehearsal times during the next few weeks.

If your child cannot take part in the performance, they can still participate in all classes and will learn the concert dance like everyone else. They will learn many important performance skills, develop their ability to retain choreography and have the especially important role of being a rehearsal understudy, which is helpful to their classmates and teachers.

***We are giving you all the facts and figures in advance so there are NO HIDDEN SURPRISES. This will enable you to make an informed decision as to whether you are able to participate. We will consider you are fully committed when you have paid your concert levy which is NON-REFUNDABLE. The form and concert levy must be received by Friday 23<sup>rd</sup> July 2021. If your child is not available for the concert, please email us to let us know, otherwise we will continue to send you email reminders.***

### **Concert Rehearsals:**

Concert work will be incorporated into your child's class, or if a senior you have already been advised of your concert class times. This gives us approximately 16 -18 classes to choreograph, teach and polish items. It is essential if you commit to this show that absenteeism is only if you are ill, otherwise we will expect you at every class even if you are injured, you can still learn by watching. If your child is absent without explanation or for multiple classes, it may be necessary to exclude them from some or all, of the choreography.

There will be rehearsals at the theatre the week leading up to the concert. The day and time may be different to your usual class time. There is one rehearsal per class. The cost for these rehearsals is included in your concert levy, they are **compulsory**.

### **Everyone Will Receive a Link to Watch and Download the Concerts:**

A professional company will film all shows. The cost of this is included in your concert levy. You will receive a link to the concert which you can share with family and friends who live interstate or overseas.

You will be able to use the downloaded link to gain your own copy and save it to a hard drive or USB. You cannot re-edit, change or on-sell this product. The video licence is for a single private household use so there is no public online publishing or public sharing allowed.

Personal video recorders or filming on your phone are not allowed due to music copyright laws.

### **Photographs:**

(More information to come in Term 4.)

We will be having professional photographers take individual and group photos of each child in costume during normal classes, during the week of Monday 1<sup>st</sup> to Saturday 6th Nov. These will be available to order through Elite/Capricorn Photography. There is no obligation to purchase these.

### **Tickets:**

Complimentary ticket forms will be available when tickets go on sale.

### **Costumes:**

There is **NO costume making**, as we supply all costumes. Please note that most dance schools require you to purchase the materials and sew all your costumes, or purchase all your costumes outright, which can add up to hundreds of dollars. We replace this with a costume hire fee included in your concert levy, prices are below. This hire fee goes toward new costumes, replacement of damaged costumes, repairs, and cleaning of costumes.
