

2019 SAYERS DANCE PHOTOS

Order online **after** photo week: See your photos then choose what you like

For the week beginning Monday 28th October 2019, dance groups will be photographed in their concert costumes during their allocated photo time (see attachment). Every student (with the exception of toddler dancers) will have an individual dance portrait taken for each group they are in!

What do you need to do?

For now, all you need to do is **register** your email and create a password. We will use this email to notify you when images are online and ready to order. At that point, you will need this email and password to login.

Go to GalleryPro.com.au/register, fill out the form and choose "Sayers Dance Centre" from the drop down.

Once images are online

Once your photos are online you will be able to login to the gallery and see proofs of the groups, individuals and candids. This means you have the option of ordering some exciting new products as well as our traditional products and combo packs! (See below). There will be more information on how to order at that time.

Collecting Orders

Orders need to be placed **online** by Sunday November 24th. These orders will be ready to collect from our photo stall at the concert venue in December. Orders received after this date will need to be shipped or picked up from our studio in West End (Monday to Friday 8:30am to 4:30pm).

When are my photos being taken?
