We are setting up Customer Portals. This will save you a lot of time when enrolling into new classes as all your data will already be there and you will only need to choose your new classes. Once you are a customer you can also add other students using the Portal. You can then also use the portal to update any change of details.

Other features available are that you can use the Portal to advise us of absences. It also gives you the ability to view all your past and current invoices and payments.

We will email you the link to activate your portal over the school holidays, when enrolments open for 2020 you will need to use the portal to enrol into classes for next year.

Instructions will be available under the enrolment tab on our web page.

ABSENTEES & PUNCTUALITY (Your teachers are very concerned by this)

If you have an injury or illness, if at all possible, we would still like you to attend, (unless you are contagious.) You can still learn by watching class. This is a team effort we need you there to tell us where your position in the group is etc. We really work hard to put on the best possible production so that you can be proud of your children and this Academy

We will not embarrass any child by allowing them to go on stage if they don't know what they are doing. Also it is not fair to the others to keep repeating last weeks lesson for someone who was absent, and so with this in mind **any student who is absent too often may be put out of the dance.** Please save absences for unexpected illness. Punctuality is a common courtesy which we expect.

Please **E-mail** to advise of absences.

Do we have your current phone, address & email?

Keep an eye on the noticeboard link on our website, which is for current students to keep you up to date.

To keep up with what we are doing, we recommend you follow us on Face Book and Instagram

Please ensure young students go to the toilet before their class to avoid wasting lesson time.

CHILD SUPERVISION

You are responsible for your child's behaviour & safety before and after class. If you need to catch up with a friend please do so away from the other tenant's doorways. Often you may be involved in a conversation and younger siblings are running and shouting. This is disruptive for other businesses and our studio classes. So why not have a chat over coffee downstairs. And of course, the wonderful library is also available. Please only wait in corridors 5 mins before pick-up/drop off time and **PLEASE** control other siblings.

Dance is a visual art, it is important to learn good grooming from the start, plus being in our uniform creates a sense of pride in the Academy. This is why we insist that all students (Ballet, Jazz and Tap students) should now be in the correct uniform and should always have their hair pulled back off the face, preferably in a bun.

PHOTO WEEK – Mon28th October – Saturday 2nd November

All will have a photo taken with their class. Solo photos will be taken for those who nominate this option on the booking order form which will be emailed out early in Term 4 together with more Information.

Theatre rehearsals are not in costume so this is the only opportunity to get a photo.

Those not in the concert may also have a photo in costume. It is optional to purchase photos

DUE TO REHEARSALS THERE WILL BE NO CATCH UP CLASSES FOR MISSED LESSONS

in 4th term so please try not to miss classes unless you are contagious.

PUNCTUALITY IS ESSENTIAL.
